

EUNICE GOUNDREY FREDERICK **MEMORIAL COLLEGE SCHOLARSHIP**

The National Home Office awards an annual College Scholarship intended for a graduating high school senior from the studio of any NADAA member in good standing, planning to go on to College to major or minor in the Arts. The amount of the scholarship is undetermined at this time.

As you will see in the application form, applicants are asked to submit an essay explaining "How NADAA, and dance, has affected my life" with the application. The essay should be 1-2 pages long (500 word limit), typewritten, and double-spaced. Applicants are asked not to list their name or their instructor's name anywhere within the essay. The selection of the winner will be based on the essay and the applicant's involvement in NADAA.

Only the bottom half of the application will be forwarded to the selection committee. The selection committee will consist of the National Board Members and the National Vice-Presidents. If any of these officers have students applying they will not be involved in the selection process.

Deadline for application is May 15th. The winner will be notified by mail in mid-June. There will also be an announcement of the winner made at the banquet at all the Summer National Conventions. The winner does not have to be present at the Convention(s) to be eligible. If the winner were in attendance, we would be delighted to have her/him perform a dance solo in the student showcase.

Please feel free to copy the application form and distribute to your eligible students.
