

NADAA MEMBER EXCHANGE FOR SUMMER CONVENTIONS

In an effort to help bring the Midwest to the East, and vice-versa, the National Home Office has established a travel stipend for members of chapters on the East coast to attend the Greater Midwest Summer Convention and for members of the Midwest Chapter to attend the Greater New England or Greater New York Summer Convention.

The travel stipend will be \$150 for each recipient. Meals, housing, and banquet fees will be the responsibility of the recipient. The hosting chapter will cover the registration fees. Members are asked to submit an essay entitled "The Value of NADAA Membership" with their application. The essay should be 3-4 pages long, typewritten, and double-spaced. The selection of the member from each region will be based on the essay and the applicant's involvement in NADAA. Only the bottom half of the application will be forwarded to the selection committee which will consist of the National Board Members and the National Vice-Presidents. If any of these officers, or employees, are applying they will not be involved in the selection process

Deadline for application is May 15th. The winner will be notified by mail in early-June.
